CANADIAN FORCES HEADQUARTERS

Date 30 June, 1969

Enclosed is a Will made by you during your service, which is forwarded for your disposal.

In returning this document to you, it is desired to direct your attention to the fact that termination of service does not have the effect of revoking or cancelling such a Will.

However, as Service Wills are usually witnessed by serving personnel, it may be difficult to locate the witnesses when they are required in connection with probate of the Will. For this reason, you may wish to consider the making of a new Will through a civilian agency.

Director of Policy Implementation (Documents)

QUARTIER-GENERAL DES FORCES ARMÉES CANADIENNES

Je vous envoie, sous ce pli, un testament que vous avez fait pendant votre service dans l'armée Canadienne, et dont vous pourrez disposer comme vous l'entendrez.

Toutefois, en vous renvoyant ce document, je tiens à attirer votre attention sur le fait que la cessation de votre service n'a pas pour effet de révoquer ni d'annuler ce testament.

Comme les testaments militaires sont ordinairement signés devant des témoins qui sont membres des forces armées, il peut être difficile de trouver ces témoins lorsqu'on a besoin d'eux pour l'homologation du testament. C'est pourquoi, vous voudrez peut-être faire un testament civil pour remplacer celui que je vous fais présentement parvenir.

Directeur de L'exécution des Programmes (Documents)

Ecrire à la machine ou à l'encre, faire une croix dans les cases appropriées et indiquer dans l'espace prévu à cette fin l'endroit où se trouve le testament.

STATEMENT OF ENLISTMENT

1 I, Alexander Edward Kalichuk agree to be enlisted in Category "C" broad trade category, and the trade of my preference within this category is Supply Tech.

2 I understand and agree to the following:

(a) That, if subsequent to my enlistment in the RCAF, the results of my electrocardiographic, audiometric, x-ray, or blood test examinations are unsatisfactory, I will be subject to immediate discharge from the RCAF.

X (b) That, subsequent to my enlistment in the broad trade category shown above, I will be selected for training or employment in a specific trade within that trade category, or within another category for which I may be found more suitable.

(c) That, if on enlistment or subsequent to enlistment in the RCAF, the RCAF considers that I require additional academic education for my specific trade, I may be sent to a school of education prior to my trade training.

X ~~(d) That, if I am found to be unsuitable for the training period specified, I may be subject to immediate release.~~

(e) That, I have been made aware of the fact that my entry into the Air Force means I am being posted as the RCAF sees fit for service inside Canada, and to such duties outside of Canada as may be required from time to time.

(f) That, the amount of money to which I am entitled for pay and allowances, the factors regarding payment of pension deductions, income tax, and the relation of medical and clothing allowances to these factors, have been explained to my satisfaction.

(g) That, I am aware I have signed to serve in the RCAF (Regular) for a five-year period. If during this time I should contemplate leaving the Service, I am aware of the conditions in effect for such release should it be necessary (paras 190 to 196 KR (Air)).

(h) That, I understand no guarantee of posting to a specific station can be given by the Recruiting Officer. However, subsequent to my trade training my wishes in respect to a preferential posting will be taken into consideration where possible.

(i) That, after enlistment and subsequent selection for training or employment in a specific ground trade, I may remuster to another ground trade at my own request provided the RCAF finds it expedient to do so.

X Applicable to unskilled enlistments only.
